

LITTLE IS DONE ON SECOND DAY

Lodge Chosen Permanent
Chairman and Credentials Approved.

ROUTINE MATTERS UP

No Fight Results Over Seating of Delegates—Harmony Marks Session.

CHICAGO, June 9.—Second day proceedings of the republican national convention, lasting barely an hour and dealing entirely with routine, moved as smoothly and swiftly today as a hoop rolling down hill.

There was a shout of approval from the delegates as they adopted the report of the committee on permanent organization by which Senator Lodge of Massachusetts was made permanent chairman, which considerably shortened the work and cut out a lot of speechmaking. The convention gave its presiding officer a big demonstration.

The report of the committee on credentials, over which some delegates had expected a fight, was presented and adopted without a flutter as was the report of the rules committee, which gives women representation on the national executive committee.

Depew Raps Wilson.

With no report from the makers of a platform, the crowd was ready to hear a few speeches and called first for Chauncey M. Depew of New York, veteran of many convention battles. He cheered lustily as Mr. Depew turned his oratorical weapons on President Wilson and especially when he declared that in the old days when Washington found it necessary to deal with foreign powers, he stayed on the job at home and sent the chief justice as his emissary. There were scattering cries from the floor for other speakers, but Chairman Lodge, to give the convention a sensation, presented Mrs. Margaret Hill McCarter of Kansas, the first woman ever accorded the privilege of addressing it. She was thrilled by the warmth of the greeting, and in a brief address pledged the loyal support of millions of women voters to the republican cause.

Calls for other men high in the ranks of the party, including former Speaker Cannon, who was not present, were ended quickly as the convention adopted the Senator Wadsworth's motion to adjourn until tomorrow at 11 o'clock.

FULLBLOODS CARRY DAY

PAWUSKA, Okla., June 9.—At the biennial election for the Osage tribe held here yesterday the full-blood ticket was elected entire, headed by Arthur Bonnicastle. An unusually large vote was cast, there being six tickets in the field with much rivalry for supremacy between the fullbloods and mixed bloods. The ticket elected is as follows: President, Arthur Bonnicastle; assistant chief, Louis Bighorse; councilmen, Fred Lookout, Wah-shah-shah, Kah-wah-ho-lah, Perry King, Simon Henderson, Jose Shun-kan-mo-lah, Franklin Revard and James Tayrian. The old members of the tribe, picturesque in their buckskin trousers and blankets, congregated in agitation, which will be held on Pawuska for the event. The inauguration is one of the most important events in the Osage nation, being an occasion for feasting and dancing. The council administers the financial and other interests of the Osage people during a two-year term.

IT'S JUST AS YOU'D HAVE IT!

If you were to write down a list of the things that you would want a combination shoe dye and polish to do, you would have before you the qualities of DYANSHINE, the original and only efficient and genuine combination dye and shine preparation. It preserves leather, while most imitating preparations actually ruin leather. Many dyes corrode and eat the metal wires that hold the daubers in the bottles, and you can imagine what they would do to leather. DYANSHINE is free from all ingredients which might be harmful to leather. It takes but a dauber dipped once in the liquid, and then squeezed out, to shine a pair of shoes, and the shine will last a week if occasionally rubbed. 50 shines for 50 cents, that's Dyanshine, and it completely dyes all scuffs and scars, or will dye white or tan shoes any of the darker colors. In Black, Corleone Brown, Nut Brown, Light Tan, at all the better dealers.

PAINS NEARLY DOUBLED ME UP

Nothing Helped Me Until I Took Lydia E. Pinkham's Vegetable Compound.

Wyandotte, Mich.—"For the last four years I have doctored off and on without help. I have had pains every month so bad that I could hardly double up. Sometimes I could not sweep a room without stopping to rest, and everything I ate upset my stomach. Three years ago I lost a child and suffered so badly that I was out of my head at times. My bowels did not move for days and I could not eat without suffering. The doctor could not help me and one day I told my husband that I could not stand the pain any longer and sent him to the drug store to get me a bottle of Lydia E. Pinkham's Vegetable Compound and threw the doctor's medicine away. After taking three bottles of Vegetable Compound and using two bottles of Lydia E. Pinkham's Sanative Wash I could do my own housework. If it had not been for your medicine I don't know where I would be today and I am never without a bottle of it in the house. You may publish this if you like that it may help some other woman."—Mrs. MARY STENGER, 120 Orange St., Wyandotte, Mich.

MONEY IS USELESS

When You Have Bad Health.

The pleasures of life are denied those who suffer with rheumatism, eczema, erysipelas, eruptive skin and other diseases caused by an impure state of the blood. Even though you seek enjoyment in the many ways possible to your station in life, your aches and pains will not permit you the measure of happiness to which you are entitled. You are necessarily miserable and discouraged, and when your morbid condition becomes known your friends and acquaintances will sometimes avoid you.

Your success, your happiness, all depend on what you get out of life. Your health and strength therefore depend on pure, rich blood.

As a purifier of the blood, modern medicine offers no remedy of greater value than Prescription C-2223. This treatment stands above all other remedies as an alternative of great power. BLACK-DRAUGHT AS A PREVENTIVE

When You Begin Feeling Bad With Feverishness, Headache, Cold or Constipation, Give Your Liver a Tonic—Take Black Draught.

Candler, N. C.—"I don't believe there is a better medicine made than Black-Draught; I have used it and my mother's folks used it for colds, feverishness, headache and deranged liver." This statement recently was made by Mr. C. B. Trull, a well-known farmer on Route 3, this place.

"I have, before now, begun feeling dull, a headache would come on, and I would feel all full of cold, and take a few doses of Black-Draught and get all right," adds Mr. Trull.

YOUR COMPLEXION CAN BE MADE WHITE, SOFT AND YOUTHFUL

By the Use of the BLACK and WHITE Beauty Treatment.

Every woman wishes to appear beautiful. The savage maiden tattoos her skin, flares rings in her nose and wears other crude ornaments to make herself more attractive. An example of present-day beauty among civilized women is a soft, velvety skin and a radiant complexion.

To improve your complexion, you should not use anything that hides your face, simply blotchy skin. Such applications last only a few hours, and are injurious to the delicate skin tissue in many cases.

You can make your complexion beautiful by removing the faded, dark, sallow, blotchy skin with the BLACK and WHITE Beauty Treatment which consists of a creamy ointment and soap. This beauty treatment will not injure the skin and is easy to apply. Before retiring you thoroughly cleanse the skin with BLACK and WHITE Soap, then mix and apply BLACK and WHITE Ointment according to directions.

The BLACK and WHITE Beauty Treatment will also remove pimples, sun-burns, insect bites, skin blotches, liver spots and other unsightly blemishes of the skin. Remember that the BLACK and WHITE Beauty Treatment is different from other cosmetics in that it removes—does not cover or hide—the blemishes.

You can buy BLACK and WHITE Ointment and Soap at all good drug stores for 25c each a package, or the manufacturer will send both postpaid on receipt of 50c.

You can get a free sample, literature and a BLACK and WHITE Birthday and Cream Book, if you will clip and mail this advertisement to BLACK and WHITE, Box 913, Memphis, Tenn.
